

# Tears In the Rain

## The Weeknd

They all feel the same  
Adjust to the fame  
'cause no one will love you like her It's pointless  
Like tears in the rain So now that she's done  
Embrace all that come  
And die with a smile, you  
Don't show the world how alone you've become They all feel the same  
Adjust to the fame  
'cause no one will love you like her  
It's pointless  
Like tears in the rain  
Like tears in the rain  
mmm  
When it's said and done  
I already felt love  
And I let it end up  
End up dying by itself  
And when it's said and done You were better off  
You deserve real love  
And I deserve to be by myself  
'Cause I've gone too far And I started too young  
To give up  
And even if I changed  
It would be too late  
I exposed my ways  
Now every girl I touch (they all feel the same)  
Adjust to the fame  
'Cause no one will love you like her  
It's pointless  
Like tears in the rain  
So now that she's done  
Embrace all that come  
And die with a smile, you  
Don't show the world how alone you've become  
Alone you've become They all feel the same  
I should've let you leave  
I'm let you watch me slip away  
I could've set you free  
I'm selfish  
I watched you stay  
She has no recollection  
Of the life she had without me She let it slip away, away, away

So sad it had to be this  
She forgot the good things about me  
She let it slip away, away, away  
She has no recollection  
Of the life she had without me  
She let it slip away, away, away  
So sad it had to be this  
She forgot the good things about me  
She let it slip away, away, away (They all feel the same)  
Adjust to the fame  
'Cause no one will love you like her  
It's pointless  
Like tears in the rain  
So now that she's done  
Embrace all that come  
And die with a smile, you  
Don't show the world how alone you've become  
They all feel the same  
Adjust to the fame  
'Cause no one will love you like her  
It's pointless  
Like tears in the rain  
So now that she's done  
Embrace all that come  
And die with a smile, you  
Don't show the world how alone you've become  
She has no recollection  
Of the life she had without me  
She let it slip away, away, away  
So sad it had to be this  
She forgot the good things about me  
She let it slip away, away, away
