Shorty, don't clap-back on the dick (On the dick, hey!)

[Verse: 6ix9ine]

Know I keep a tool on me

I come in the room, I might have to move on 'em

Scope with a zoom, fuck around and boom, homie

I stay with a broom on me, better move, homie

'Fore you in a tomb, on me

We gon' bring the MACs out, we back out and spazz out

Yeah that's a blackout, get dragged out and packed out

Yeah, my trap house, I call it the black house

We move the packs out, we gon' blow the mags out[Bridge: TrifeDrew]

All in, anybody that'll do it (Hey!)

Everybody in the party getting stupid (Hey!)

All these thotties in the party, I ain't choosing (Hey!)

I'm off the Henny and the chuck, I might lose it (Hey!)

[Chorus: 6ix9ine]

Shorty, don't clap-back on the dick (On the dick, hey!)

Don't clap-back on the dick (On the dick)

Bitch, when I hit that, do a split (Hey!)

When I hit that, do a trick

Shorty, don't clap-back on the dick (On the dick, hey!)

Don't clap-back on the dick (On the dick)

Bitch, when I hit that, do a split (Hey)

When I hit that, do a trick[Outro: TrifeDrew]
