

Kamikaze

Lil Mosey

[Hook]

In the back wit my niggas, off a xan we might act up
Kamikaze, cause you know we all strapped up
Your bitch she want me, cause she see a nigga stacked up
But I can't keep her, I just want to beat her back up
Wit my niggas, off a xan we might act up
Kamikaze, cause you know we all strapped up
Your bitch she want me, cause she see a nigga stacked up
But I can't keep her, I just want to beat her back up

[Verse 1]

Now i'm in the Rari switching lanes
Pull up to the street and they all know my name
Now I got a bag, and my baby chain swang
I was just broke, steady looking for some stains
And my little brother [?] free my nigga out the cage
Sellin drugs and I get it ask your bitch, I'm getting paid
And I'm in a Mazi cause I crashed the fucking Range
And I see your bitch cause I'm better than your main

[Hook]

In the back wit my niggas, off a xan we might act up
Kamikaze, cause you know we all strapped up
Your bitch she want me, cause she see a nigga stacked up
But I can't keep her, I just want to beat her back up
