

# Kathy's Song

Eva Cassidy

I hear the drizzle of the rain  
Like a memory it falls  
Soft and warm continuing  
Tapping on my roof and walls And from the shelter of my mind  
Through the window of my eyes  
I gaze beyond the rain drenched streets  
To a land where my heart lies My mind's distracted and confused  
My thoughts are many miles away  
They lie with you when you're asleep  
Kiss you when you start the day  
Now the song I was writing is left undone  
I don't know why I spend my time  
Writing songs I can't believe  
With words that tear and strain to rhyme And so you see I have come to doubt  
All that I once held as true  
I stand alone with beliefs  
The only truth I know is you  
And as I watch the drops of rain  
Weave their weary paths and die  
I know that I am like the rain  
There before the grace of you, go I (guitar solo and end)
