

# Arsonist's Lullabye

[Hozier](#)

When I was a child, I heard voices...  
Some would sing and some would scream  
You soon find you have few choices...  
I learned the voices died with me  
When I was a child I'd sit for hours  
Staring into open flame  
Something in it had a power  
Could barely tear my eyes away  
All you have is your fire...  
And the place you need to reach  
Don't you ever, tame your demon  
But always keep 'em on a leash  
When I was 16 my senses fooled me  
Thought gasoline was on my clothes  
I knew that something would always rule me...  
I knew the scent was mine alone  
All you have is your fire  
And the place you need to reach  
Don't you ever, tame your demon -  
But always keep 'em on a leash  
When I was a man I thought it ended  
When I knew loves perfect ache  
But my peace has always depended  
On all the ashes in my way  
All you have is your fire  
And the place you need to reach  
Don't you ever, tame your demons  
But always keep 'em on a leash...
