

The Long Road (With Nusrat Fateh Ali Khan)

Eddie Vedder

And I wished for so long, cannot stay...
All the precious moments, cannot stay...
It's not like wings have fallen, cannot stay...
But I feel something's missing, cannot say...Holding hands are daughters and sons
And their faiths just falling down, down, down, down...
I have wished for so long
How I wish for you todayWe all walk the long road. Cannot stay...
There's no need to say goodbye...
All the friends and family
All the memories going round, round, round, round
I have wished for so long
How I wish for you today
And the wind keeps roaring
And the sky keeps turning gray
And the sun is set
The sun will rise another day...
We all walk the long road. Cannot stay...
There's no need to say goodbye...
All the friends and family
All the memories going round, round, round, round
I have wished for so long
How I wish for you today
How I've wished for so long
How I wish for you todayWe all walk the long road
We all walk the long road
We all walk the long road
