I'm Not Gonna Let It Bother Me Tonight

Atlanta Rhythm Section

I picked up the paper this morning
And read all the daily blues
The world is one big tragedy
I wonder what I can doAbout all the pain and injustice
About all of the sorrow

We're living in a danger zone

The world could end tomorrowBut I'm not gonna let it bother me tonight

I'm not gonna let it bother me tonight

Tomorrow I might go as far as suicide

But I won't let it bother me tonightLife on the street is a jungle

A struggle to keep up the pace

I just can't beat that old dog eat dog

The rats keep winnin the rat race

But I'm not gonna let it bother me tonight

I'm not gonna let it bother me tonight

The world is in an uproar and I see no end in sight

But I won't let it bother me tonightI'm not gonna let it bother me tonight

Tomorrow I might go as far as suicide

But I won't let it bother me tonightLord, Lord, Lord

We got nothing but trouble

I've done all I can do today

So bartender pour me a double, right nowBut I'm not gonna let it bother me tonight

I'm not gonna let it bother me tonight

The world is in an uproar and I see no end in sight

But I won't let it bother me tonight

I'm not gonna let it bother me tonight

No I'm not gonna let it bother me tonight

Tomorrow I might go as far as suicide

But I will not let it bother me tonight
