Campus

Vampire Weekend

I wake up, my shoulder's cold
I've got to leave here, before I go
I pull my shirt on, walk out the door
Drag my feet along the floor
I pull my shirt on, walk out the door

Drag my feet along the floorThen I see you, you're walking 'cross the campus Cruel professor, studying romancesHow am I supposed to pretend

I never want to see you again? How am I supposed to pretend I never want to see you again? Walked to class in front of ya Spilled kefir on your keffiyah

You look inside and turn to the door

Drag your feet along the floorThen I see you, you're walking 'cross the campus Cruel professor, studying romancesHow am I supposed to pretend

I never want to see you again? How am I supposed to pretend

I never want to see you again?In the afternoon, you're out on the stone and grass
And I'm sleeping on the balcony after class

In the afternoon, you're out on the stone and grass
And I'm sleeping on the balcony after class
In the afternoon, you're out on the stone and grass
And I'm sleeping on the balcony after class
In the afternoon, you're out on the stone and grass
And I'm sleeping on the balcony after class
