

# Stronger

## Skillet

My skin is my disguise  
I'm more than a man  
I smile at my demise  
Ask who I am More than a man  
More than a man  
More than a man  
More than a man My skin is my disguise  
I'm more than a man  
I was sent to rule on Earth  
Ask who I am I wreck, I wreck, I wreck  
I wreck with every prayer  
Ask who I am  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah Stronger  
Stronger The fear tries to take me  
The flesh tries to pull  
Blackness all around me  
But I'm undefeatable My God is strong  
My God is strong  
My God is strong  
My God is strong All creation watches  
For Him to arrive  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah  
Than the Devil, yeah 'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah  
Than the Devil, yeah, yeah  
'Cause I'm stronger, yeah

Than the Devil, yeah, yeah Stronger  
Stronger  
Stronger  
Stronger
