

# Baby

Serj Tankian

You came to me within a dream  
Not everyone is who they seem  
All these words we can't redeem  
Like the great magic of our world  
Corroborated by your words  
Splitting planets into thirdsBaby, oh baby

Baby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you

To all the leaves that fall in vain  
While God and Goddess go insane  
All these words in your domain  
The watches kill time as the books read  
Inadvertently we bleed  
Fighting for what we deceiveBaby, oh baby

Baby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you

Leave me alone, leave me alone  
Now why can't you see that you always perturb me?

So nearing the end of the world

Just leave me alone, leave me alone

Why can't you see that you always perturb me?

So nearing the end of the world

Leave me alone, leave me alone

Baby, oh babyBaby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you
