

# Give It To Me Baby

Rick James

When I came home last night  
You wouldn't make love to me  
You went fast asleep  
You wouldn't even talk to me You say I'm so crazy  
Coming home intoxicated  
I say just want to love you, I just wanna love you, baby  
Guess that's why I'm so elated, come on, girl Give it to me, baby (Give it to me, baby)  
Give it to me, baby (Give it to me, baby)  
I betcha I'll make you holler you've had enough  
Give it to me, baby (Give it to me, baby)  
Just give it to me, baby  
Give it to me, baby (Give it to me, baby)  
I betcha I'll make you holler you've had enough  
Give it to me  
Give me that stuff, that funk, that sweet, that funky stuff {Say what}  
Give it to me  
Give me that stuff, that funk, that sweet, that funky stuff {Say what} Give it to me, give it to me  
Give it to me, give it to me  
Give me your stuff, that funk, that sweet, that funky stuff (Yo-ho, ow) Give it to me, baby When  
I was high as the sky  
Out all night just dancin'  
You say, 'Let's go home' {Come on, Rick, I'm tired, let's go home}  
That's the time I start romancin' You say how can I love you, how can I love you, baby  
When your body keeps on movin'  
I say wait till I squeeze you, oh  
Maybe then you'll start to groovin', come on, girl  
Give it to me, baby (Give it to me, baby)  
Give it to me, baby (Give it to me, baby)  
I betcha I'll make you holler you've had enough  
Give it to me, baby (Give it to me, baby)  
Just give it to me, baby  
Give it to me, baby (Give it to me, baby)  
I betcha I'll make you holler you've had enough Give it to me  
Give me that stuff, that funk, that sweet, that funky stuff {Say what}  
Give it to me  
Give me that stuff, that funk, that sweet, that funky stuff {Say what} Give it to me, give it to me  
Give it to me, give it to me  
Give me your stuff, that funk, that sweet, that funky stuff (Yo-ho, ow)  
Hey, girl Give it to me what you say  
Give it to me what you say  
{Give it to me} What you say  
{Give it to me}, what you say [Hey, girl]

Give it to me what you say  
Give it to me what you say  
{ Give it to me, give it to me } [Hey, girl] Give it to me what you say  
Give it to me what you say  
Give it to me, give it to me  
Give it to me what you say  
Give it to me right away  
Give it to me, give it to me Give it to me what you say
