Always On My Mind

Willie Nelson

Maybe I didn't love you Quite as often as I could have And maybe I didn't treat you Quite as good as I should have If I made you feel second best Girl I'm sorry I was blind You were always on my mind You were always on my mindAnd maybe I didn't hold you All those lonely, lonely times I guess I never told you I am so happy that you're mine Little things I should have said and done I just never took the time You were always on my mind You were always on my mindTell me Tell me that your sweet love hasn't died And give me Give me one more chance to keep you satisfied I'll keep you satisfied Little things I should have said and done I just never took the time You were always on my mind (you were always on my mind) You were always on my mindYou were always on my mind (you were always on my mind) You were always on my mind Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
