

# A Friend Like You

Andy Grammer

Right from the start, couldn't pull us apart, it just works  
Nobody else ever gets me as well on this earth  
Like rock and roll, Marshall's and telly's  
Mac and cheese, PB's and jellies  
Some things are better together, and that you and me-eDude, I love you, bro, I love you  
Man, I love you  
You're my brother from another, 'nother mother  
You are my favorite, I'm not ashamed to admit  
Cause I do, dude, I do  
Dude, I love you, bro, I love you  
Man, I love you  
You're my homie, no one knows me like you know me  
Like the sun and the moon, all the best things comes in two  
What would I do without a friend like you?  
W-w-w-w-what would I do?  
Without a friend like you  
W-w-w-w-what would I do?  
Without a friend like you? Laughed and we cried when we're passing the time away  
Even our fights always end with a smile on our face  
Like black and white, keys on a whirley  
Sounds just right when we're in harmony  
Some things are better together and that's you and me-eDude, I love you, bro, I love you  
Man, I love you  
You're my brother from another, 'nother mother  
You are my favorite, I'm not ashamed to admit  
Cause I do, dude, I do  
Dude, I love you, bro, I love you  
Man, I love you  
You're my homie, no one knows me like you know me  
Like the sun and the moon, all the best things comes in two's  
What would I do without a friend like you?  
W-w-w-w-what would I do?  
Without a friend like you  
W-w-w-w-what would I do?  
Without a friend like you Without a friend like you  
Without a friend like you  
W-w-w-w-what would I do? (I wouldn't be the same, man)  
Without a friend like you? (I wouldn't be the same, man)  
Without a friend like you Dude, I love you, bro, I love you  
Man, I love you (bro, love you)  
You're my homie, no one knows me like you know me  
You are my favorite, I'm not ashamed to admit

Cause I do, dude, I do  
Dude, I love you, bro, I love you  
Man, I love you  
Got my back, I got your back, like chiropractors  
Like the sun and the moon, all the best things come in two's  
What would I do without a friend like you? W-w-w-w-what would I do?  
Without a friend like you  
W-w-w-w-what would I do?  
Without a friend like you
