

# Looks Like We Made It

Barry Manilow

There you are  
Looking just the same as you did last time I touched you  
And here I am  
Close to getting tangled up inside the thought of you  
Do you love him?  
As much as I love her  
Will that love be strong?  
When old feelings start to stir Looks like we made it  
Left each other on the way  
To another love  
Looks like we made it  
Or I thought so 'til today  
Until you were there everywhere  
And all I could taste was love the way we made it Love's so strange  
Playing hide and seek with hearts and always hurting  
And we're the fools  
Standing close enough to touch those burning memories And if I hold you for the sake of all  
those times  
Love made us lose our minds  
Could I ever let you go...  
Oh, no we made it  
Left each other on the way to another love...  
Looks like we made it  
Or I thought so 'til today  
Until you were there everywhere  
And all I could taste was love the way we made it  
Ohhhhhh, we made it  
Looks like we made it  
Left each other on the way to another love  
Looks like we made it  
Or I thought so 'til today  
Until you were there everywhere  
And all I could taste was love the way we made it...  
Looks like we made it...  
Oh, babe we made it...
