

Riptide

Vance Joy

I was scared of dentists and the dark
I was scared of pretty girls and starting conversations
 Oh all my friends are turning green
 You're the magicians assistant in their dreams.

Awooo

Awooo

And they come unstuckLady, running down to the riptide

 Taken away to the dark side

 I wanna be your left hand man

 I love you, when you're singing that song and

 I got a lump in my throat 'cause

 You're gonna sing the words wrong

 There's this movie that I think you'll like

This guy decides to quit his job and heads to New York City

 This cowboy's running from himself

 And she's been living on the highest shelf

Awooo

Awooo

And they come unstuckLady, running down to the riptide

 Taken away to the dark side

 I wanna be your left hand man

I love you when you're singing that song and I got a lump in my throat 'cause

 You're gonna sing the words wrong

 I just wanna, I just wanna know

 If you're gonna, if you're gonna stay

 I just gotta, I just gotta know

 I can't have it, I can't have it any other way

 I swear she's destined for the screen

Closest thing to Michelle Pfeiffer that you've ever seen, ohLady, running down to the riptide

 Taken away to the dark side

 I wanna be your left hand man

 I love you when you're singing that song and

 I got a lump in my throat 'cause

You're gonna sing the words wrongOh lady, running down to the riptide

 Taken away to the dark side

 I wanna be your left hand man

 I love you when you're singing that song and

 I got a lump in my throat 'cause

You're gonna sing the words wrongOh lady, running down to the riptide

 Taken away to the dark side

 I wanna be your left hand man

 I love you when you're singing that song and

I got a lump in my throat 'cause
You're gonna sing the words wrong
I got a lump in my throat 'cause you're gonna sing the words wrong
