

# Momentum

Stevie Stone

Well I'm back momentum extension I shroud at your opposition they playin me huh! huh! they  
playin!

Now now now now I be rippin motha fuckas wanna cheer for me but im savin it for the chance  
to?

Cuz im loud and abrupt (abrupt, im loud and abrupt, abrupt)  
when I speak the ground shakin this different strange is aroma (im on it)

Godzilla can hear me around the corner (I'm on it)  
I'm an animal, vicious, you know I wanna (I'm on it)  
some five totally black bitches sippin' corona  
unleash elite figure

born in the middle of the five seven triple

I am that nigga

thirteen million one thirty one thirty thousand momentum

worthy make a nigga wanna serve me more? with venom

ha ha im out a y (im outta y), andre 3000 (andre 3000),

inertia nigga (inertia nigga), no gravity around (no gravity around)

im pushin on em (im pushin on em) the money count (the money count)

the fire on the scene bring the water fountain

when I step out I bring momentum (I'm on it)

if I see it I want it I go and get it (I'm on it)

if your looking for competition come get it (I'm on it)

rolling stone keep rollin' and rollin' on (I'm on it)

momentum (I'm on it) momentum (I'm on it) momentum (I'm on it) momentum (I'm on it)

momentum, momentum (I'm on it) momentum, momentum (I'm on it)you know I'm on it, Nina

told me to get em

comin' from rock bottom soarin' up over buildings

ha I get to buckin' and stressin' and catching feelins'

superstar in the making, guesstimating the millions (I'm on it)

me, frizz, p-caso we wander and cause a ruckus (I'm on it)

to many fingers I'm hollerin', screamin' fuck it!

Your problem you cant touch it, problem you better tuck it

I followed down the lines of my letoya luekett

comprine and I abduct it find the coke getter

a ball with corn fed country ass nigga

(run it back) (run it back) (run it back) run it back!

Im far out im out of space and coming back

ha ha im out a y (im outta y), andre 3000 (andre 3000),

inertia nigga (inertia nigga), no gravity around (no gravity around)

im pushin on em (im pushin on em) the money count (the money count)

the fire on the scene bring the water fountain!when I step out I bring momentum (im on it)

if I see it I want it I go and get it (im on it)

if your looking for competition come get it (im on it)

rolling stone keep rollin' and rollin' on (im on it)  
momentum (im on it) momentum (im on it) momentum (im on it) momentum (im on it)  
momentum, momentum (im on it) momentum, momentum (im on it)
