

# Teach Me Tonight

[Aretha Franklin](#)

Teach me tonight  
Did you see that I've got a lot to learn?  
Well don't think I'm trying not to learn  
Since this is the perfect spot to learn  
Teach me tonight! Starting with the ABC of it  
Getting roll right down to the XYZ of it  
Help me solve the mystery of it  
Teach me tonight!  
The sky's a blackboard high above you  
If a shooting star goes by  
I'll use that star, to write I love you  
A thousand times across the sky One thing isn't very clear my love,  
Should the teacher stand so near my love?  
Graduation's almost here my love  
Yeah, yeah teach me tonight  
One thing isn't very clear my love  
Should the teacher stand so near my love  
Graduation's almost here my love  
Yeah teach me tonight!
