

# No Worries

McFly

We ran past strawberry fields and smelt the summer time,  
When it gets dark I'll hold your body next to mine,  
Then we'll find some wood and hell we'll build a fire,  
And then we'll find some rope and make a swing and tire  
Captivated by the way you look  
tonight the light is dancing in your eyes  
Your sweet eyes,  
Times like these we'll never forget,  
Staying out to watch the sunset,  
I'm glad I shared this with you,  
You set me free,  
Showed me how good my life could be,  
How did this happen to me,  
Yeahhh aww  
And then I'll swing you girl until you fall asleep,  
And when you wake up you'll be lying next to me,  
We'll go to Hollywood make you a movie star, (movie star!)  
I want the world to know how beautiful you are  
Captivated by the way you look tonight the light is dancing in your eyes  
Your sweet eyes,  
Times like these we'll never forget,  
Staying out to watch the sunset,  
I'm glad I shared this with you,  
You set me free,  
Showed me how good my life could be,  
How did this happen to me,  
Yeahhh  
There are no secrets to be told,  
Nothing we don't already know,  
bum bum bum,  
We got no fears of growing old,  
We've got no worries in the world .
