

Do You Don't You

Haywyre

Do you hear what I hear?
Do you care if I care?
Do you know what I know?
Do we know what we share? Do you hear what I hear?
Do you care if I care?
Do you know what I know?
Do we know what we share? Do You Don't You
Don't You
Do You Don't You
Do you hear what I hear?
Do you care if I care?
Do you know what I know?
Do we know what we share? Do you hear what I hear?
Do you care if I care?
Do you know what I know?
Do we know what we share? Do we know, we know, we know what we share
Do you hear what I hear?
Do you care if I care?
Do you know what I know?
Do we know what we share?
Do You Don't You
Don't You
Do You Don't You
Don't You
Do You Don't You
