Do You Don't You

Haywyre

Do you hear what I hear?

Do you care if I care?

Do you know what I know?

Do we know what we share? Do you hear what I hear?

Do you care if I care?

Do you know what I know?

Do we know what we share?Do You Don't You

Don't You

Do You Don't You

Do you hear what I hear?

Do you care if I care?

Do you know what I know?

Do we know what we share? Do you hear what I hear?

Do you care if I care?

Do you know what I know?

Do we know what we share? Do we know, we know, we know what we share

Do you hear what I hear?

Do you care if I care?

Do you know what I know?

Do we know what we share?

Do You Don't You

Don't You

Do You Don't You

Don't You

Do You Don't You
