The Boy in the Bubble

Peter Gabriel

It was a slow day
And the sun was beating
On the soldiers by the side of the road
There was a bright light
A shattering of shop windows
The bomb in the baby carriage
Was wired to the radio, andThese are the days of miracle and wonder
This is the long-distance call

The way the camera follows us in slow-mo

The way we look to us all
The way we look to a distant constellation

That's dying in a corner of the sky

These are the days of miracle and wonder

And don't cry, baby, don't cry, don't cry

It was a dry wind

And it swept across the desert

And it curled into the circle of birth

And the dead sand

Falling on the children

The mothers and the fathers

And the automatic earthThese are the days of miracle and wonder

This is the long-distance call

The way the camera follows us in slow-mo

The way we look to us all, oh, yeah

The way we look to a distant constellation

That's dying in a corner of the sky

These are the days of miracle and wonder

And don't cry, baby, don't cry, don't cry

It's a turn-around jump shot

It's everybody jump start

It's every generation throws a hero up the pop charts

Medicine is magical and magical is art

Think of the boy in the bubble

And the baby with the baboon heartAnd I believe

These are days of lasers in the jungle

Lasers in the jungle somewhere

Staccato signals of constant information

A loose affiliation of millionaires

And billionaires, and, babyThese are the days of miracle and wonder

This is the long-distance call

The way the camera follows us in slow-mo

The way we look to us all, oh, yeah

The way we look to a distant constellation
That's dying in a corner of the sky
These are the days of miracle and wonder
And don't cry, baby, don't cry, don't cry, don't cry
