

# Money

Serj Tankian

Money,  
All for money,  
Save your money,  
Hide your money,  
Stuff your money,  
Hump your money,  
Save your money,  
All for money Waning patience  
People's appetite  
Disposition  
This possession  
Dispossessed from all the attractions,  
Dancing bears of eroticism,  
Self absorbed delusion  
Inclusion of dysfunction,  
I now await the triumphant  
Lost baggage, train station,  
The causes of ineptitude  
Can be traced to my mandatory down,  
The causes of my servitude  
Can be traced to the tyranny of Money,  
All for money,  
Make your money,  
Hide your money,  
Stuff your money,  
Hump your money,  
Save your money,  
All for money My final surrender  
Away from inclusion  
I now await the triumphant,  
Left baggage, train station,  
The causes of ineptitude  
Can be traced to my mandatory down,  
The causes of my servitude  
Can be traced to the tyranny of a down,  
The causes of ineptitude  
Can be traced to my mandatory down,  
The causes of my servitude  
Can be traced to the tyranny of Money,  
All for money,  
Make your money,  
Hide your money,

Stuff your money,  
Hump your money,  
Save your money,  
Make your money, Hide your money,  
(Money)  
All for money,  
Make your money,  
(Money)  
Hide your money,  
Stuff your money,  
(Money)  
Hump your money,  
Save your money,  
(Money)  
All for money
