

They Don't Know About Us

One Direction

People say we shouldn't be together
We're too young, to know about forever
But I say, they don't know what they're talk-talk-talking about (Talk-talk-talking about)'Cause
this love is only getting stronger
So I don't wanna wait any longer
I just wanna tell the world that you're mine girl Oh, they don't know about the things we do
They don't know about the "I love you"'s
But I bet you, if they only knew
They would just be jealous of us They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right
Baby, they don't know about, they don't know about us
One touch and I was a believer
Every kiss, it gets a little sweeter
It's getting better, keeps getting better all the time, girl They don't know about the things we do
They don't know about the "I love you"'s
But I bet you, if they only knew
They would just be jealous of us They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right
Baby, they don't know about, they don't know about us They don't know how special you are
They don't know what you've done to my heart
They can say anything they want
'Cause they don't know about us
They don't know what we do best
That's between me and you, our little secrets
But I wanna tell 'em
I want to tell the world that you're mine, girl They don't know about the things we do
They don't know about the "I love you"'s
But I bet you if they only knew
They would just be jealous of us They don't know about the up all nights
They don't know I've waited all my life
Just to find a girl that feels this right
Baby, they don't know about They don't know about the things we do
They don't know about the "I love you"'s
But I bet you if they only knew
They would just be jealous of us They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right
Baby, they don't know about, they don't know about us They don't know about us
