

# Your Love Is My Drug

Kesha

Maybe I need some rehab  
Oh, maybe just need some sleep  
I got a sick obsession  
I'm seeing it in my dreams I'm looking down every alley  
I'm makin' those desperate calls  
I'm staying up all night hoping  
Hittin' my head against the wall What you got, boy, is hard to find  
I think about it all the time  
I'm all strung out, my heart is fried  
I just can't get you off my mind Because your love, your love, your love is my drug  
Your love, your love, your love  
I said your love, your love, your love is my drug  
Your love, your love, your love  
Won't listen to any advice  
Momma's telling me I should think twice  
Better left to my own devices  
I'm addicted, it's a crisis My friends think I've gone crazy  
My judgment's getting kinda hazy  
My steeze is gonna be affected  
If I keep it up like a lovesick crackhead What you got, boy, is hard to find  
I think about it all the time  
I'm all strung out, my heart is fried  
I just can't get you off my mind Because your love, your love, your love is my drug  
Your love, your love, your love  
I said your love, your love, your love is my drug  
Your love, your love, your love  
I don't care what people say  
The rush is worth the price I pay  
I get so high when you're with me  
But crash and crave you when you leave Hey, so I gotta question  
Do you wanna have a slumber party in my basement?  
Do I make your heart beat like an 808 drum?  
Is my love with your drug? Your drug, your drug  
Your drug, is my love your drug?  
Because your love, your love, your love is my drug  
Your love, your love, your love  
I said your love, your love, your love is my drug  
Your love, your love, your love  
Because your love, your love, your love is my drug  
Your love, your love, your love  
I said your love, your love, your love is my drug  
Your love, your love, your love

Hey, hey, so  
Your love, your love, your love, your love is my drug
