

# If You Leave Me Now

Foxes

Go  
You won't go  
If you leave me now  
I can heal somehow Back, to a time  
When I knew myself  
When I knew myself Give me a reason why you choose to always hurt my soul  
I gave you everything  
Oh baby, please I have to know  
Just answer me the question: are you going to stay or go?  
Stay or go?  
Oh, no. Please don't go  
If you leave me now,  
if you leave me now  
Won't you stay  
If you leave me now,  
if you leave me now Won't you stay Back, to a time  
But I know you won't  
But I know you won't Give me a reason why you choose to always hurt my soul  
I gave you everything  
Oh baby, please I have to know  
Just answer me the question: are you going to stay or go?  
Stay or go?  
Oh, no. Please don't go  
If you leave me now,  
if you leave me now.  
Won't you stay  
If you leave me now,  
if you leave me now. Won't you stay?  
If you leave me now Won't you stay?  
If you leave me now,  
if you leave me now Won't you stay?  
Please don't go  
If you leave me now  
If you leave me now
