I get money when I want to
I get b*tches when I want to
Tote this pistol when I want to
Money dance step hit the 1,2
You cant bop like this
Everybody want my swag
Everybody want my drip
Had to tell them back back
Tell them to get off my d*ck
Watch me do the money dance
Watch me hit my skip
Bet you cant do it like this
No you cant do it like this
I get money when I want to
I get b*tches when I want to
Tote this pistol when I want to
Money dance step hit the 1,2
Oh you paid well b*tch im paid too
