

# Been There Done That (feat. Tove Styrke)

## NOTD

Do you know what is like waiting for you  
Then you apologize but you never change at all  
You know what you've done to me, done to me, done to me  
Do you know what is like waiting for you Why don't I see myself sometimes, why  
Tell me why I keep going back  
When I know I've been there done that  
Why do I keep missing you for  
Missing something instead of letting go  
Tell me why I keep going back  
When I know I've been there done that  
Keep on wanting something to change Been there done that  
Been there done that  
You don't know what it's like loving someone  
Got my heart at the back of your mind  
No, I never felt so small  
Now you know what you've done to me, done to me, done to me  
You don't know what it's like loving someone Why don't I see myself sometimes, why  
Tell me why I keep going back  
When I know I've been there done that  
Why do I keep missing you for  
Missing something instead of letting go  
Tell me why I keep going back  
When I know I've been there done that  
Keep on wanting something to change Been there done that  
Been there done that Just let me go  
If you don't know me, no, go  
Tell me why I keep going back  
When I know I've been there done that  
Why do I keep missing you for  
Missing something instead of letting go  
Tell me why I keep going back  
When I know I've been there done that  
Keep on wanting something to change Been there done that  
Been there done that  
Tell me why I keep going back  
When I know I've been there done that  
Keep on wanting something to change  
Been there done that
