Here I Am (Just When I Thought I Was over You)

Air Supply

Here I am playing with those memories again And just when I thought time had set me free Those thoughts of you keep taunting meHolding you, a feeling I never outgrew Though each and every part of me has tried Only you can fill that space insideSo there's no sense pretending My heart it's not mendingJust when I thought I was over you And just when I thought I could stand on my own Oh baby, those memories come crashing through And I just can't go on without youOn my own I've tried to make the best of it alone I've done everything I can to ease the pain But only you can stop the rainI just can't live without you I miss everything about you Just when I thought I was over you And just when I thought I could stand on my own Oh baby, those memories come crashing through And I just can't go on without, go on without It's just no good without you Song Discussions is protected by U.S. Patent 9401941.
