

# Runaway

## The National

There's no saving anything  
Now we're swallowing the shine of the sun  
There's no saving anything  
How we swallow the sun But I won't be no runaway  
'Cause I won't run  
No, I won't be no runaway What makes you think I'm enjoying  
Being led to the flood?  
We've got another thing coming undone  
And it's taking us over We don't bleed when we don't fight  
Go ahead, go ahead, throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead, go ahead, lose our shirts in the fire tonight  
What makes you think I'm enjoying  
Being led to the flood?  
We got another thing coming undone But I won't be no runaway  
'Cause I won't run  
No, I won't be no runaway  
'Cause I won't run  
No, I won't be no runaway What makes you think I'm enjoying  
Being led to the flood?  
We've got another thing coming undone  
And it's taking us over We don't bleed when we don't fight  
Go ahead, go ahead, throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead, go ahead, lose our shirts in the fire tonight  
But what makes you think I'm enjoying  
Being led to the flood?  
We got another thing coming undone  
We got another thing coming undone  
And it's taking forever I'll go braving everything  
With you swallowing the shine of the sun  
I'll go braving everything  
Through the shine of the sun But I won't be no runaway  
'Cause I won't run  
No, I won't be no runaway  
'Cause I won't run  
No, I won't be no runaway What makes you think I'm enjoying  
Being led to the flood?  
We've got another thing coming undone  
And it's taking us over We don't bleed when we don't fight  
Go ahead, go ahead, throw your arms in the air tonight  
We don't bleed when we don't fight

Go ahead, go ahead, lose our shirts in the fire tonight  
What makes you think I'm enjoying  
Being led to the flood?  
We got another thing coming undone  
We got another thing coming undone  
And it's taking forever
