

# Silenced By the Night

## Keane & Alesso

In a city like mine, there's no point in fighting  
I close my eyes, I see you and me driving  
If I am a river, you are the ocean  
Got the radio on, got the wheels in motion We were silenced by the night  
But you and I, we gonna rise again  
Divided from the light  
I wanna love the way we used to then I lie in the dark, I feel I'm falling  
Feel your hand on my back, hear your voice calling  
I'm out of my depth girl, stick close to me  
Because the people in this town, they look straight through me  
We were silenced by the night  
But you and I, we gonna rise again  
Divided from the light  
I wanna love the way we used to then 'Cause baby I'm not scared  
Of this world  
When you're here  
No baby I'm not scared Of this world  
When you're here  
Ooooooooooooh  
You and I, we gonna rise again  
Ooooooooooooh  
You and I we gonna rise again  
We were silenced by the night  
But you and I, we're gonna rise again  
Divided from the light  
I wanna love the way we used to then  
Outra
