

Paradise

George Ezra

My love (my love)
My lover, lover, lover
I'm in paradise whenever I'm with you
My mind (my mind)
My m-m-m-m-mind
Well it's a paradise whenever I'm with you
Ride on (ride on)
I will ride on down the road
I will find you, I will hold you, I'll be there
It's long (how long?)
It's a mighty long road but
I find you, I will hold you and I'll be there
I know you heard it from those other boys
But there's time between
It something that I feel and
I know you heard it from those other boys
But there's time between
It something that I feel and If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way My time (my time)
My t-t-t-t-time
Well it's a never ending helter skelter
We'll be out whatever the way
My heart (my heart)
My boom-boom heart
It's a beat and its a thumping
And I'm alive
I know you heard it from those other boys
But there's time between
It something that I feel and
I know you heard it from those other boys
But there's time between
It something that I feel and If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way Paradise, hold on hold on
Meet me there, hold on hold on
Paradise, hold on hold on
Meet me there, hold on hold on
Paradise, hold on hold on
Meet me there, hold on hold on

Paradise, hold on hold on
Meet me there, hold on hold on
Paradise, hold on hold on
Meet me there, hold on hold on
Paradise, hold on hold on
Meet me there, hold on hold on
If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way
I know you heard it from those other boys
But there's time between
It something that I feel and
I know you heard it from those other boys
But there's time between
It something that I feel and
If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way
If it feels like paradise running through your bloody veins
You know it's love heading your way
