Ooh, got me numb on this feeling  
Sometimes I need to breathe in  
Won't you come and save me now, save me now? Ooh, got me numb on this feeling  
Sometimes I need to breathe in  
Won't you come and save me now, save me now? Ooh, got me numb on this feeling  
Sometimes I need to breathe in  
Won't you come and save me now, save me now?  
Ooh, got me numb on this feeling  
Sometimes I need to breathe in  
Won't you come and save me now?
