Ride It

Regard

(Ride it, ride it) come touch my soul (Ride it, ride it) baby let me feel you (Ride it) turn the lights down low(Ride it) from head to toe (Ride it, ride it) touch my soul (Ride it, ride it) let me feel you It's been about a month and twenty days And were going 'round and 'round playing silly games Now your saying, slow it down, not right now Then you wink at me and walk away Now, let it be, let it be known Hold on, don't go Touching and teasing me, telling me no But this time I need to feel you(Ride it) We're all alone (Ride it) just lose control (Ride it, ride it) come touch my soul (Ride it, ride it) baby let me feel you (Ride it) turn the lights down low (Ride it) from head to toe (Ride it, ride it) touch my soul (Ride it, ride it) let me feel you MoVida was the club on Saturday Your acting like a diva saying you don't wanna pay It's gotta be your feisty style Raised that brow I love it when you look at me that way Now when you order a Mohita at the bar Reapplying lippy 'cause it came off from the glass The DJ plays your favorite song Kanyes on Now your backing in from me to dance Mm, pulling me, pulling me, pulling me close You close your eyes girl Whispering, telling me we gotta go Won't you take me home I wanna(Ride it) We're all alone (Ride it) just lose control (Ride it, ride it) come touch my soul (Ride it, ride it) baby let me feel you (Ride it) turn the lights down low (Ride it) from head to toe (Ride it, ride it) touch my soul (Ride it, ride it) let me feel you(Ride it) We're all alone (Ride it) just lose control

(Ride it, ride it) come touch my soul
(Ride it, ride it) baby let me feel you
(Ride it) turn the lights down low
(Ride it) from head to toe
(Ride it, ride it) touch my soul
(Ride it, ride it) let me feel youWon't you take me home I wanna(Ride it) We're all alone
(Ride it, ride it) just lose control
(Ride it, ride it) come touch my soul
(Ride it, ride it) baby let me feel you
(Ride it) turn the lights down low
(Ride it) from head to toe
(Ride it, ride it) touch my soul
(Ride it, ride it) touch my soul
(Ride it, ride it) let me feel you
