

# Roman In Moscow

Nicki Minaj

I'm big bully no bike gear  
I told you b-tches last year  
I'm a rap b-tch nightmare  
That's why I call you buzz lightyear  
Cause by the time you start buzzin  
B-tch you gon' have white hair  
Paparazzi was a fright scare  
When I landed out in London  
It was looking like Mike Dare, Mike Jack  
Who's bad, ain't know my period  
But I got a new pad  
Channel 5, news flash  
P-ssy clean, who smash  
None of y'all, canary yellow ball  
These b-tches should be worshipping me in the synagogue  
Hum, hum, done the prayer  
B-b-b-b-tch I ball, underwear  
Hum, hum, done the prayer  
Did I tell them that I ball, underwear  
Okay roman  
Y'all want the full roman?  
Y'all want the full roman?  
Y'all want the full roman?  
Ya'll want the full?

B-tches is insane, these b-tches ain't in my lane Only b-tches in the plane, is b-tches that give me

brain Herro this sh-t is lethal, Roman,  
This is the sequel, Moscow,  
that's where I came from Under,  
he's fully charge,  
Your favorite rapper probably suck,  
As for me icy hockey puck,  
Anyway i'm on that new sh-t,  
Every trend I introduce it,  
Muthaf-ck you with a big d-ck  
I'm a racist, i'm a bigot  
B-tch, i'm thicker than a midget Yeah i'm crazy, just a smidgen  
Motherf-ck make it my wumble  
That's okay me am from Moscow Hold on  
F-ck you Brace yourself
