

# Love Songs

## Kaash Paige

I miss my cocoa butter kisses  
Hope you smile when you listen  
Ain't no competition, just competin' for attention  
And you're like "I'm not on no games"  
Well, baby I been peepin' and you ain't been the same  
Like, who been on you're mind?  
Who got your time?  
Who you been vibin' wit and why I can't make you mine?  
You used to be texting me, checking me, calling me your slime  
And now you treat me like my worth less than a dime  
And if we paint a perfect picture we can  
make it last forever  
And you're the only one I want to wear my orange sweater  
I told you I am down for the worse or the better  
But I keep sticking to you 'cause them four stupid letters  
You got me singing love songs, love songs, love songs  
You got me singing love songs, love songs, love songs  
You got me singing love songs, love songs, love songs  
You got me singing love songs, love songs, love songs  
You got me singing love songs  
Oh this the type of song you tip on four fours  
And pour up song  
Yeah  
That make you fall in love song  
That "Hey big head, what you on?" make you hit me up song  
Double cupped but bae I'm leaning  
on you,  
You been playing games I'm tryna make you my boo,  
Ion duck no action you buss one and I buss two  
Pills of satisfaction I take the red you pop the blue  
And if we paint a perfect picture we can  
make it last forever  
And you're the only one I want to wear my orange sweater  
I told you I am down for the worse or the better  
But I keep sticking to you 'cause them four stupid letters  
You got me singing love songs, love songs, love songs  
You got me singing love songs, love songs, love songs  
You got me singing love songs, love songs, love songs  
You got me singing love songs, love songs, love songs
