

# Me Time

Heather Headley

Verse 1:

All things being equal  
I always put you first  
You know that I've been down for you  
Through better and through worse  
All things being equal  
Boy I've been more than cool  
So it seems only natural  
To expect the same of you  
Now I'm not trying to start nothing  
I like things drama free  
But there won't be nothing to stop  
If you keep sweatin' me  
Sometimes a girl just needs her space  
No different than her man  
If I don't care that you do you  
Why can't you deal with this?

Chorus:

I need some me time  
Not some you and some I  
Just some me time, oh—  
I need some she time  
Not some him and some her  
Just some free time, oh—  
I wanna run with my girls  
Hit the club, hit the mall  
Get my nails and hair done  
Spend a day at the spa  
Boy you ain't gotta worry  
There ain't nothin' goin' on  
I need some me time  
That's all, and that's all

Verse 2:

All things being equal  
You're not the only one  
If I wanted to roll like that  
I could have anyone I want  
All things being equal  
I got a right to choose  
The only thing you need to know  
My choice is always you  
Now I'm not tryin' to flip on you

Or make a mess of things  
But if I put trust in you  
Then you should do the same  
I'm not goin' anyplace  
I'm not goin' anywhere  
So you gotta' be actin' all scaredChorus:  
I need some me time  
Not some you and some I  
Just some me time, oh—  
I need some she time  
Not some him and some her  
Just some free time, oh—  
I wanna' run with my girls  
Hit the club, hit the mall  
Get my nails and hair done  
Spend a day at the spa  
Boy you ain't gotta' worry  
There ain't nothin' goin' on  
I need some me time  
That's all, and that's allBridge:  
You're the most important thing in the world to me  
Can't you get it through your head  
I ain't never gonna leave you, I ain't about to  
Baby don't you understand how much I love you  
I'm not deserving of your doubt and lack of trust for me  
Boy it's disturbing you would ever think that low of me  
I've told you everything and anything that's going on  
That's why I want you to knowChorus:  
I need some me time  
Not some you and some I  
Just some me time, oh—  
I need some she time  
Not some him and some her  
Just some free time, oh—  
I wanna' run with my girls  
Hit the club, hit the mall  
Get my nails and hair done  
Spend a day at the spa  
Boy you ain't gotta' worry  
There ain't nothin' goin' on  
I need some me time  
That's all, and that's all
