

# My Baby Left Me

Rox

O Oh yeah  
My baby left my sad  
He didn't do nothing right  
My baby left me  
My baby left me dry  
My baby left me sad  
He didn't do nothing right  
My baby left me  
My baby left me so dry to the bone  
And he left me alone  
Oh yeah  
Consequences after murder  
Situations did you further  
Close one eye and dream the rest  
I was called the early learner  
And you were the heart stirer  
But this I never coulda guessed  
You pulled on me until you knew I'd break My baby left my sad  
He didn't do nothing right  
My baby left me  
My baby left me dry  
My baby left me sad  
He didn't do nothing right  
My baby left me  
My baby left me so dry to the bone  
And he left me alone  
Oh yeah  
O Oh Yeah  
So who's to blame for the messy ending  
You say it's me but we'd be pretending  
You work your dirt just like a pro  
'Caus you were a  
Freedom fighter, compulsive liar,  
And a really good lucky trier  
More than I had ever known  
You pulled on me until you knew I'd break My baby left my sad  
He didn't do nothing right  
My baby left me  
My baby left me dry  
My baby left me sad  
He didn't do nothing right  
My baby left me

My baby left me so dry to the bone  
And he left me aloneah  
ah  
ahMy baby left my sad  
He didn't do nothing right  
My baby left me  
My baby left me dry  
My baby left me sad  
He didn't do nothing right  
My baby left me  
My baby left me so dry to the bone  
And he left me aloneMy baby left my sad  
He didn't do nothing right  
My baby left me  
My baby left me dry  
My baby left me sad  
He didn't do nothing right  
My baby left me  
My baby left me so dry to the bone  
And he left me aloneO Oh Yeah
