

# Hold My Hand (Le Youth Remix)

Jess Glynne

Standing in a crowded room and I can't see your face  
Put your arms around me, tell me everything's OK  
In my mind, I'm running round a cold and empty space  
Just put your arms around me, tell me everything's OK  
Break my bones but you won't see me fall, oh  
The rising tide will rise against them all, oh  
Darling, hold my hand  
Oh, won't you hold my hand?  
Cause I don't wanna walk on my own anymore  
Won't you understand?  
Cause I don't wanna walk alone  
I'm ready for this, there's no denying  
I'm ready for this, you stop me falling  
I'm ready for this, I need you all in  
I'm ready for this, so darling hold my hand  
Soul is like a melting pot when you're not next to me  
Tell me that you've got me and you're never gonna leave  
Tryna find a moment where I can find release  
Please tell me that you've got me and you're never gonna leave  
Break my bones but you won't see me fall, oh  
The rising tide will rise against them all, oh  
Darling, hold my hand  
Oh won't you hold my hand?  
Cause I don't wanna walk on my own anymore  
Won't you understand?  
Cause I don't wanna walk alone  
I'm ready for this, there's no denying  
I'm ready for this, you stop me falling  
I'm ready for this, I need you all in  
I'm ready for this, so darling, hold my hand  
Don't wanna know  
That feeling when I'm all alone  
So please don't make me wait, cause I don't wanna break  
And I don't wanna fall  
When you're next to me  
Can tell I'm not afraid to be  
That you don't make me wait, and never let me break  
You never let me fall  
Darling, hold my hand  
Oh, won't you hold my hand?  
Cause I don't wanna walk on my own anymore  
Won't you understand?  
Cause I don't wanna walk alone  
I'm ready for this, there's no denying  
I'm ready for this, you stop me falling

I'm ready for this, I need you all in  
I'm ready for this, so darling, hold my hand
