## **Sleigh Ride**

## **Ray Conniff**

Just hear Those sleigh bells Jingle-ing Ring ting Tingle-ing too Come on It's lovely weather For a sleigh ride Together with you Outside The snow is falling And friends Are calling "you hoo" Come on It's lovely weather For a sleigh ride Together with youGiddy-yap, giddy-yap Giddy-yap, let's go Let's look at the show We're riding In a wonderland of snow Giddy-yap, giddy-yap Ggiddy-yap, it's grand Just holding your hand We're gliding along With the song Of a wintry fairy land Our cheeks are nice And rosy And comfy cozy are we We're snuggled up Together like two birds Of a feather would be Let's take the road Before us And sing a chorus or two Come on It's lovely weather For a sleigh ride Together with youThere's a birthday party At the home of Farmer Gray It'll be the perfect ending

Of a perfect day

We'll be singing the songs

We love to sing

Without a single stop

At the fireplace

While we watch

The chestnuts pop

Pop, pop, popJust hear

Those sleigh bells

Jingle-ing

Ring ting

Tingle-ing too

Come on

It's lovely weather

For a sleigh ride

Together with youThere's a happy feeling

Nothing in the world

Can buy

When they pass around

The coffee

And the pumpkin pie

It'll nearly

Be like a picture print

By Currier and Ives

These wonderful things

Are the things

We remember all through

Our livesOur cheeks are nice

And rosy

And comfy cozy are we

We're snuggled up

Together like two birds

Of a feather would be

Let's take

The road before us

And sing

A chorus or two

Come on

It's lovely weather

For a sleigh ride

Together with youJust hear

Those sleigh bells

Jingle-ing

Ring ting

Tingle-ing too

Come on

It's lovely weather

For a sleigh ride

Together with youOutside the snow

Is falling
And friends
Are calling "you hoo"
Come on
It's lovely weather
For a sleigh ride
Together with youCome on
It's lovely weather
For a sleigh ride
Together with youCome on
It's lovely weather
For a sleigh ride
Together with youCome on
It's lovely weather
For a sleigh ride
Together with you
