

Gettin' Over (feat. Chris Willis)

David Guetta & Chris Willis

All the things I know right now
If I only knew back then
There's no gettin' over
No gettin' over
There's just no getting over you Wish I could spin my world into reverse
Just to have you back again
There's no gettin' over
There's no gettin' over
There's just no gettin' over you
No! No!
We're back
Hey hey I can't forget you baby
I think about you everyday
I tried to masacrate the pain
That's why I'm next on the booth
D-d-d dance to the groove
There is no
There is no getting over you
Baby it feels so right
To dance to the beat up night The heat between you and I retreat to the morning light
We like to live like class
And pour them shots up in the glass
But there is no, there is no getting over you
I'm a party, and party and party and party
And party and party and party
I'm a party, and party and party and party
And party and party and party
All the things I know right now
If I only knew back then
There's no gettin' over
No gettin' over
There's just no getting over you Wish I could spin my world into reverse
Just to have you back again
There's no gettin' over
There's no gettin' over
There's just no getting over you, no! no! I'm a party, an party and party and par and par
And party and party and party and
I'm a party, an party and party and par and par
And party and party and party and
I'm a party, an party and party and par and par
And party and party (yeah par, yeah par, yeah!) We're back!
People in the place

If you've ever felt love
Then you know, yeah you know
What I'm talking about
There's no gettin' over!
No! (no no no no) I'm a party, an party and party and par and par...
And party and party and party
I'm a party, an party and party and par and par...
And party and party and party
There's just no getting over you
