

# Wrap Your Arms Around Me (Single Version)

## KC and the Sunshine Band

Wrap your arms around me  
Come on, come on  
Wrap your arms around me  
Get it on, get it on Wrap your arms around me  
Come on, come on  
Wrap your arms around me  
Rock me all night long Oh, don't waste a minute  
Don't waste no time  
Give right to it  
Come on and be mine Wrap your arms around me  
Come on, come on  
Wrap your arms around me  
Get it on, get it on  
Wrap your arms around me  
Come on, come on  
Wrap your arms around me  
Rock me all night long Oh, come on and take me  
Make me feel good  
Wrap your arms around me  
You're what I want Wrap your arms around me  
Come on, come on  
Wrap your arms around me  
Get it on, get it on Wrap your arms around me  
Come on, come on  
Wrap your arms around me  
Rock me all night long  
Do it, do it now, do it, do it now  
Do it, do it now, baby  
Do it, do it now, do it, do it now  
Do it, do it now, baby Do it, do it now, do it, do it now  
Do it, do it now, baby  
Do it, do it now, do it, do it now  
Do it, do it now, baby Do it, do it now  
Do it, do it now  
Do it, do it now
