

# Breath

## Breaking Benjamin

I see nothing in your eyes  
And the more I see the less I like  
Is it over yet?  
In my head  
I know nothing of your kind  
And I won't reveal your evil mind  
Is it over yet?  
I can't win So sacrifice yourself  
And let me have what's left  
I know that I can find  
The fire in your eyes  
I'm going all the way  
Get away please  
You take the breath right out of me  
You left a hole where my heart should be  
You got to fight just to make it through  
'Cause I will be the death of you This will be all over soon  
Pour the salt into the open wound  
Is it over yet?  
Let me in So sacrifice yourself  
And let me have what's left  
I know that I can find  
The fire in your eyes  
I'm going all the way  
Get away please You take the breath right out of me  
You left a hole where my heart should be  
You got to fight just to make it through  
'Cause I will be the death of you  
I'm waiting  
I'm praying  
Realize  
Start hating  
You take the breath right out of me  
You left a hole where my heart should be  
You got to fight just to make it through  
'Cause I will be the death of you
