

# I Don't Want to Be Your Friend

Nina

I don't wanna see your face  
I don't wanna hear your name  
I don't wanna thing just stay away baby yeah  
Don't wanna know if you're alright  
Or what you're doin' with your life  
Don't wanna hear you say that you'll stay in touch maybe  
I'll get by just fine  
And if you're goin' then darlin' goodbye, goodbye  
Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it'll be the way it was before  
Don't think that I care  
I'm not over you yet  
And I don't wanna be your friend  
I'll forget we ever met  
I'll forget I ever let  
Ever let you into this heart of mine baby yeah  
You just gotta let me be  
You gotta keep away from me  
'Cause all I want is just to be free from you baby  
Don't you come around  
And say you still care about me  
Just go now, go now  
Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it'll be the way it was before  
Don't think that I care  
I'm not over you yet  
And I don't wanna be your friend  
You take it so casually  
But baby it's killing me... Yeah  
Goodbye, goodbye  
Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it'll be the way it was before  
No baby  
Don't call me in the middle of the night no more  
I'm not over you yet  
And I don't wanna be your friend  
Don't wanna be your friend  
Don't call me  
Don't come around  
Don't wanna be your friend...
