

# Something to Believe In

## Young the Giant

It gets old when you talk to the sun  
And your tongue understood uh-no one  
Can it be that I hear what he's saying?  
Is there a reason why I'm still awake? And he says, "I've got you written in a black book by the  
railroad track. You see, I know your fate."

(Ooh)

And I said, "you've got to listen, I'm a songbird with a brand new track. You underestimate." I'll  
give you something to believe in  
Put out the basement full of demons  
Realize you're a slave to your mind, break free  
Now give me something to believe in

Just give me...

Just give me something to believe in  
Everyday when I speak to the moon  
Pale as a ghost in the afternoon  
Tragedy has a hold of my mind

But I can see the light between the lines And I said, "you've got to listen, I'm a songbird with a  
brand new track. You underestimate." I'll give you something to believe in

Put out the basement full of demons  
Realize you're a slave to your mind, break free  
Now give me something to believe in Promise me

Sour flame

I'm a slave to my mind

You give me something to believe in "I've got you written in a black book by the railroad track.  
You see, I know your fate."

(Ooh)

And I said, "you've got to listen, I'm a songbird with a brand new track. You underestimate."

I'll give you something to believe in  
Put out the basement full of demons  
Realize you're a slave to your mind, break free  
Just give me something to believe in  
Just give me...

Just give me something to believe in
