## **Back To Earth (feat. Fall Out Boy)**

## **Steve Aoki**

It was just the beginningI think that I was meant to be next to you, to you On this planet spinning I think that I was meant to be next to you, to you And you know I found the dust to be resilient And we're the dirtiest of the dirt Every time we fall to pieces We build something new out of the hurt And we can never come back to earth To earth, to earth, to earth we can never come back to earth, to earth to earth are you living your life or just waiting to die? The bright, the bright, the bright The brightest things fade the fastest All my life, the bright, the bright, the bright The brightest things fade out the fastest Whoa, whoa, whoa The brightest things fade the fastest Whoa, whoa, whoaThe brightest things fade the fastestWhoa, whoa, whoa Whoa, whoa, whoa This is a crooked path I think that I was meant to be next to you, to you We can never come back (we can never come back) I think that I was meant to be next to you, to you And you know I found the dust to be resilient And we're the dirtiest of the dirt Every time we fall to pieces We build something new out of the hurt And we can never come back to earth To earth, to earth, to earth, to earth We can never come back to earth, to earth, to earthAre you living your life or just waiting to die? The bright, the bright, the bright The brightest things fade the fastest All my life, the bright, the bright, the bright The brightest things fade out the fastest Whoa, whoa, whoa The brightest things fade the fastest Whoa, whoa, whoa The brightest things fade the fastest (Fastest)The brightest things fade the fastest Whoa, whoa, whoa The brightest things fade the fastest Whoa, whoa, whoa

The brightest things fade the fastest The brightest things fade the fastest The brightest things fade the fastest. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
