

# Comfort You

## Eskimo Joe

III will come  
Come to comfort you  
I will come  
Come to comfort you III will come  
Come to comfort you  
I will come  
Come to comfort you

I  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming
