

# Never Knew Love Like This Before

Stephanie Mills

I never knew love like this before  
Now I'm lonely never more  
Since you came into my life You are my love light, this I know  
And I'll never let you go  
You my all, you're part of me Once I was lost and now I'm found  
Then you turned my world around  
When I need you, I call your nameâ? Cause I never knew love like this before  
Opened my eyes  
â? Cause I never knew love like this before  
What a surpriseâ? Cause I never knew love like this before  
This feeling's so deep inside of me  
Such a tender fantasy  
You're the one I'm living for You are my sunlight and my rain  
And time could never change  
What we share forever more, ooh I never knew love like this before  
Now I'm lonely never more  
Since you came into my lifeâ? Cause I never knew love like this before  
Opened my eyes  
â? Cause I never knew love like this before  
What a surpriseâ? Cause I never knew love like this before You are my love light, this I know  
And I'll never let you go  
You my all, you're part of me  
Once I was lost and now I'm found  
Then you turned my world around  
When I need you, I call your nameâ? Cause I never knew love like this before  
Opened my eyes  
â? Cause I never knew love like this before  
What a surpriseâ? Cause I never knew love like this before  
Inside of me  
I never (Never) knew love like this before  
Opened my eyes Never (Never), never (Never)  
Never knew love like this (I never knew, I never knew I never)  
Never (Never), never (Never)  
Never knew love like this (I never knew, I never knew I never knew) Never (Never), never  
(Never)  
Never knew love like this (I never knew)  
Never (Never knew), never (Never)  
Never knew love like this (I never knew) Never (Never knew), never (Never)  
Never knew love like this (I never knew, I never knew I never knew)  
Never (I never knew, I never knew), never (I never)  
Never knew love like this (Never knew) Never (Never knew), never (Never)  
Never knew love like this (Opened my eyes)

Never (What a surprise)
