

# Not Today

## Imagine Dragons

There she goes in front of me  
Take my life and set me free again  
We'll make a memory out of it  
Holy road is at my back  
Don't look on, take me back again  
We'll make a memory out of it We finally fall apart and we break each other's hearts  
If we wanna live young love we better start today It's gotta get easier, oh easier somehow  
Cause I'm falling, I'm falling  
Oh easier and easier somehow  
Oh I'm calling, I'm calling  
And it isn't over unless it is over  
I don't wanna wait for that  
It's gotta get easier and easier somehow  
But not today  
Not today  
There she goes in front of me  
Take my life, set me free again  
We'll make a memory out of it  
Holy road was at my back  
Don't look on, take me back again  
We'll make a memory out of it We finally fall apart and we break each other's hearts  
If we wanna live young love we better start today It's gotta get easier, oh easier somehow  
Cause I'm falling, I'm falling  
Oh easier and easier somehow  
Oh I'm calling, I'm calling  
And it isn't over unless it is over  
I don't wanna wait for that  
It's gotta get easier and easier  
So come with me  
You'll come with me ey  
So come with me  
You'll come with me ey  
Not today  
Not today  
Not today  
Not today It's gotta get easier and easier somehow  
Cause I'm falling, I'm falling  
And easier and easier somehow  
Oh I'm calling and calling  
And it isn't over unless it is over  
I don't wanna wait for that  
It's gotta get easier and easier somehow

It's gotta get easier and easier somehow
