

# Detroit Baby

## Habibi

They say you wait  
(you wait)  
You wait so long  
(so long)  
I thought I had it  
(I had it)  
But I was wrong  
(so wrong)  
And then I found him  
and he found me  
my Detroit baby  
you're all i need  
He holds my hand  
(my hand)  
When we're alone  
(alone)  
He sends me flowers  
When he's gone  
(he's gone)  
And when he kisses he'll never miss  
my Detroit baby's sweet sugar lips  
He calls my name  
(my name)  
When he's away  
(away)  
He drives me home  
(me home)  
I wish he'd stay  
(he'd stay)  
My Detroit baby my needs before  
My cane and honey sweet sugar toy  
I see you walkin'  
you walkin' by  
walkin' down Woodward  
tryin' to catch a ride  
you got a story  
i got one too  
if you come over here  
i'll tell it to you  
They say you wait  
(you wait)  
You wait so long

(so long)  
I thought I had it  
(I had it)  
But I was wrong  
(so wrong)  
And then I found him  
and he found me  
My Detroit baby  
You're all I need  
(Detroit baby)  
My Detroit baby  
(Detroit baby)  
My Detroit baby  
(Detroit baby)  
My Detroit baby  
(Detroit baby)  
(Detroit baby)  
My Detroit baby  
(Detroit baby)  
My Detroit baby  
(Detroit baby)  
My Detroit baby  
(Detroit baby)  
(Detroit baby)  
(Detroit baby)  
(Detroit baby)  
(Detroit baby)  
Detroit baby
