

# Hooked on You

MattyB

She dances in my head all day  
The music to my melody  
She got me spending all my time  
Never thought that I would say the girl is mine  
She got me feeling so excited  
So deep in love that I can't hide it  
Cause I just wanna be the one to make you say  
Never knew that I'd be rollin with you  
Cause girl you got me hooked on you  
Everything that you do  
You got me hooked on  
I can't help it  
You make me get a little crazy  
I'm spending all my time with you  
Cause oohhh  
You got me hooked on you  
You got me hooked on you  
She makes me feel like I'm 'gon pop  
Like taking a trip down to the candy shop  
I like the way she don't care  
Song comes on got our hands in the air  
She makes me feel like I can do it  
Together there ain't nothin' to it  
Cause I just wanna be the one to make you say  
Never knew that I'd be rollin with you  
Cause girl you got me hooked on you  
Everything that you do  
You got me hooked on  
I can't help it  
You make me get a little crazy  
I'm spending all my time with you  
Cause oohhh  
You got me hooked on you  
You got me hooked on you  
All I wanna do is have some fun  
Me and you make it number one  
Every time I hear the song break down  
All I think about is you right now  
Me and you make it number one  
Every time I hear the song break down  
All I think about is you right now  
The moment I like my eyes on you...  
Cause girl you got me hooked on you

Everything that you do  
You got me hooked on  
I can't help it  
You make me get a little crazy  
I'm spending all my time with you  
Cause oohhh  
You got me hooked on you  
You got me hooked on you Cause girl you got me hooked on you  
Everything that you do  
You got me hooked on  
I can't help it  
You make me get a little crazy  
I'm spending all my time with you  
Cause oohhh  
You got me hooked on you  
You got me hooked on you You got me hooked on you  
You got me hooked on you
